

## CHEF

Career of the Week

### Ready to Cook Up a Cool Career?

Chefs are professional cooks. Wherever really good food is found, you'll find chefs. They work in restaurants, on cruise ships, aboard private jets, and at resorts. They also work in retirement communities, schools, hospitals, and catering companies. One thing that all chefs have in common is a love of food. Chefs start preparing for their careers by getting into the kitchen and cooking! They are skilled, creative, and energetic. Special training can be found at community colleges, technical schools or culinary schools. Find out if your school has a FCCLA (Family, Career and Community Leaders of America) club and get involved!
