

ENTREPRENEUR

Do you want to be your own boss?

Every successful product started in the imagination of an entrepreneur. Entrepreneurs take an idea for a product or service and build a business around it. Successful entrepreneurs are hard-working, creative, and savvy about how businesses work. They are determined and learn from their mistakes. As the "boss," they are responsible for every aspect of the business. They may open a store or restaurant. They may develop a new product or offer a service. Some entrepreneurs get college degrees in business and start with solid business plans. Others have an idea and go for it!
